Dear Shareholders:

Just a real brief update:

CXAC is in the process of working with a Firm to help us reapply to the DTCC and get the freeze lifted. We believe since it is only a chill, that this firm has a legitimate chance to get the Chill lifted. The end result will be up to the DTCC, but we are trying. When we hear something from the DTCC we will post an update.

We are still working on everything to get CXAC back to the OTCBB, nothing has changed there.

Once again, we thank you for your continued support.

Sincerely,

Jorge Bravo
President/CEO
